

The First Unitarian Universalist Church of San Antonio (noted on the map with a RED A) is at the intersection of W Interstate 10 and IH-410 West.

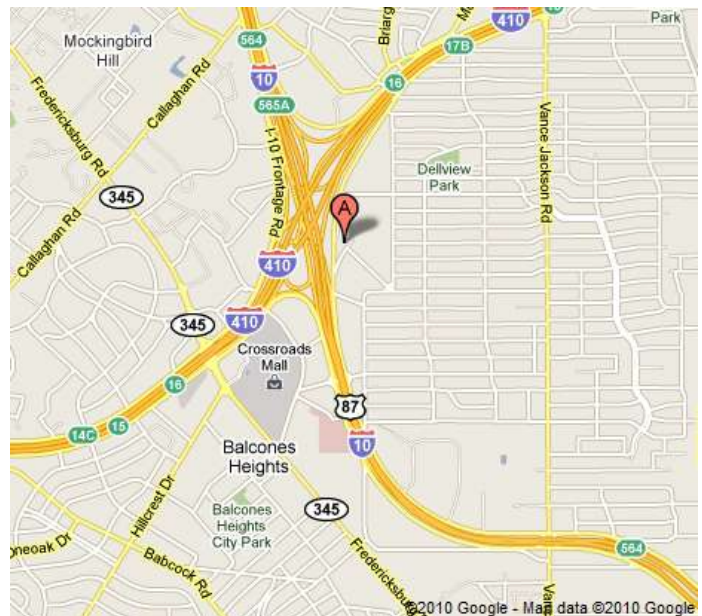

From downtown: Take IH-10 West towards 410 on northwest side of town. Exit Crossroads Blvd. Stay on access road and continue straight through Crossroads intersection. See *** below.

From the northwest part of the city (1604 & I-10): Take IH-10 East towards downtown. Exit Crossroads Blvd. Take turnaround; head back west on access road. See *** below.

From Loop 410 East: Approaching from the east on 410, take IH-10 East towards downtown. As you enter I-10 stay in right hand lane to exit at Vance Jackson. Use turnaround to get on the (westbound) access road. Stay on access road and continue straight through Crossroads intersection. See *** below.

From Loop 410 West: Approaching from the west on 410, take Fredericksburg Road exit. Stay on access road, cross Fredericksburg Road, and follow access road as it curves to the right around Wonderland of the Americas Mall (formerly Crossroads). Do *not* take ramp to the left which will put you back on 410. As you approach Crossroads Blvd. take turnaround to the left under the highway. See *** below.

*****Once on the westbound access road**, continue past the gas station and motel. The church is at the top of the hill on the right. Slow down as you approach, so you won't miss either of the turns. **If you miss the turn into our parking lot**, it is simplest to stay on the access road to Cherry Ridge, take the turnaround to the left, stay on the 410 access road to Fredericksburg, take the turn around to the left, then follow the directions above for **From Loop 410 West**.
