

**FIRST UNITARIAN UNIVERSALIST CHURCH OF SAN ANTONIO**  
**WEDDING GUIDELINES for MEMBERS**

*One of the benefits of membership includes wedding services. The following guidelines describe what is provided and how to get started in planning your wedding.*

Wedding services are provided for members of the church in good standing. Membership in good standing, as defined by the church bylaws, is any person, 14 years of age or older, who signs a membership form and has paid a responsible contribution of financial support to the Church within the preceding twelve (12) months. The church office will be able to check your membership status at the time you book your wedding. To book your wedding, contact the church office at (210) 344-4695 or [office@uusat.org](mailto:office@uusat.org).

Wedding services offered by the church:

- Officiant services are provided by our minister at no charge. This includes consultation session(s) to design the service, rehearsal of the ceremony, and officiating the ceremony itself.
- Use of the Sanctuary for the wedding ceremony at no charge. This includes a sound technician to play pre-recorded music and provide sound amplification.
- Use of the Fellowship Hall for the reception at 50% of our regular rental rates. This includes use of the kitchen, lounge, table & chairs, linens, and an on-site hospitality sexton to open/close the building and help with set-up/clean-up.
